

the low cost action transport

Morris still the greatest Mini of them all ... the car that started the trend ... the car that brought the trend to perfection. Mini Cooper 'S' ... designed for action ... with BMC's quick-cornering front wheel drive ... sure footed fluid suspension ... 4 on the floor ... and the action motor that makes the Mini Cooper 'S' the driver's

car! More room for action ... roomy boot ... big storage pockets ... more interior room than any other car its size. Get with the action people in their kind of 'wheels'. See your BMC Dealer. He's very big on Mini deals right now!

Morris Cooper 'S' at \$2,365 tax paid.
